Partner with us to bring your innovation to life

We'll create bespoke packaging solutions to suit your needs

Sustainable Choices

Our dedicated sustainability experts ensure we have sustainable solutions fit for an evolving regulatory environment through 2025 and beyond. It means sustainable choices today and the peace of mind you'll be ready for whatever tomorrow brings.

Over 50 years' experience partnering with the best in the industry.

Complete QSR Range

With over 50 years' experience partnering with Australasia's biggest brands, at Detpak we specialise in packaging for QSR. That's why we're the industry leader when it comes to offering a complete QSR range for every cuisine, beverage, and occasion.

So don't risk your packaging with suppliers that don't know your business or your industry. With Detpak's complete packaging solution, we've got you covered.

Assured Supply Chain

At Detpak, we've built a global production network with owned manufacturing in seven countries, supply contingency across every product category, and a dedicated global sourcing team. So, when you partner with Detpak, you can rest assured packaging will never be your weak link as you grow.

Responsible Manufacturing

Our factories achieve the highest standards of food safety with certifications from BRC, SAI Global and DNV as well as customer auditors. We also have accreditation for Sedex Members Ethical Trade Audit (SMETA) which provides an international standard for social accountability. Partner with us for complete peace of mind.
