

HOT FOOD BOX

ESPECIALLY DESIGNED FOR FOOD WARMERS

Need to keep your food warm and beautifully on display for in-store grab 'n go? Introducing the Hot Food Box from Detpak. Constructed with a special anti-fog window and ventilation holes, the Hot Food Box is an innovative approach to displaying pre-prepared food whilst allowing it to stay warm. Ventilation holes are cleverly placed for all over, even steam release.

Window stays crystal clear due to unique anti-fog technology, extending onto front for

maximum visibility. Tested to withstand heat of up to 80°C for up to 3 hours in a food warmer*. Poly-lined to take on greasy foods. Strong lock-in mechanism for firm closure. It's picture perfect display for food warmers! Enquire today for your free sample and try it out for yourself.

*Hot Food Boxes are designed for heat element-based warmers, not steam-based warmers. Food should not be cooked in the box, only kept warm.
